

Thank You for Your Interest in The 1924 Fund!

We are excited that you are considering applying for a grant through The 1924 Fund, a philanthropic initiative of Hannis T. Bourgeois, LLP (HTB). Established in honor of our founding year, the Fund reflects our firm's deep-rooted commitment to strengthening the communities we serve across Louisiana.

At HTB, we believe that meaningful change happens when we invest in the people and organizations working every day to improve lives. That is why The 1924 Fund focuses on supporting nonprofits that are making a measurable difference in three core areas:

- Education – Supporting educational pursuits like entrepreneurship, financial literacy, and skill-building to empower future leaders.
- Culture – Preserving and celebrating Louisiana's rich cultural heritage through creative community initiatives.
- Family Resilience – Promoting wellness and stability through programs addressing critical needs like mental health, youth development, and homelessness.

Whether you are a small grassroots organization or a well-established nonprofit, we welcome your application and the opportunity to learn more about your mission.

This year's application window is open from August 15 through September 30, 2025. We encourage all eligible 501(c)(3) organizations serving the citizens of Baton Rouge, Alexandria, Denham Springs, Hammond, and New Orleans to apply. We especially encourage submissions from Louisiana organizations serving underserved populations.

A total of up to \$10,000 in grant funding will be awarded across selected organizations this cycle. While we aim to equitably support communities across all five regions where HTB operates, final award amounts will be determined based on the strength, feasibility, and impact of applications received. HTB reserves the right to determine the number and size of awards after reviewing all submissions.

Grant recipients will be notified following the close of the application review process, and funds will be distributed by the end of the calendar year. Selected organizations will receive further details regarding award amounts, reporting expectations, and opportunities to share their impact stories as part of HTB's ongoing community engagement efforts.

Thank you for the work you do. We look forward to reviewing your application and learning how we can support your efforts to make a difference in Louisiana.
